

PRESSKIT — WAKE UP!

Rage Against The Machine Tribute Band

About the Band

Wake Up! is a powerful tribute to one of the most influential rock bands in history — Rage Against The Machine (RATM). Their music blends rock, hip-hop, funk, and punk, delivering the same explosive energy and social intensity that made RATM legendary.

Formed on January 18, 2018, following the members' participation in the charity collective Black Honor Project (BHP), Wake Up! brings together four experienced musicians from the French and Swiss rock scenes.

Band Members

- Aurélien Albrecht — Vocals
- Gaël Cadé — Guitar
- Christos Antoniadis — Bass
- Raphaël Dreyer — Drums

Driven by their passion for Rage Against The Machine, the band delivers a faithful recreation of the songs' dynamics, groove, and raw power — nearly in their original form.

Musical Style

Fusion of Rap Metal / Funk Metal / Alternative Rock, inspired by Rage Against The Machine's signature sound.

Our show includes a selection of Rage Against The Machine's greatest hits such as:

Killing in the Name, Bulls on Parade, Guerrilla Radio, Bombtrack, Testify, Sleep Now in the Fire, and more.
