

# KICKIN' VALENTINA

'Star Spangled Fist Fight'

Hard Rock

Mighty Music

Kickin' Valentina are back with their fourth studio album featuring ten tracks of "pure, unapologetic rock and roll", as they have always described themselves.

Kickin' Valentina are a band that do exactly what they say on the tin – they play loud, they play hard, they have fun, and they epitomise the spirit of rock and roll. Having been around for more than a decade now, it's clear they continue to go from strength to strength, with this album being their strongest yet.

Packed with tattooed sleaze, sexy grooves, crunchy guitar riffs, and dirty charm, Kickin' Valentina are a multi-sensory experience; their music and live shows have historically done tremendously well. From the very first track, this album hits you like a tank in classic rock and roll formula of heavy drums, dirty bass lines and riff driven guitars, topped off with singer DK's gravelly, razor like vocals. From the revved-up, high energy rebelliousness of '*Fire Back*' – an anthem for anyone feeling a little hard done by right now – to the groove driven, chunky foot stamper '*Takin' A Ride*', they deliver their music with such ferocious skill and finesse that it would put rock idols like Guns N' Roses and Motley Crue to shame. All ten tracks are powerful, riotous and high spirited – exactly what we need to cheer us all up after a long, miserable winter. At all times guaranteed to bring the party, new music from Kickin' Valentina is always going to be a welcome respite from the daily grind and a hefty reminder that there's a whole load of fun to be had out there.

Kickin' Valentina – future icons, rock and roll legends, and long may they be so!
